AYMAN A. TALEB

Ayman-Taleb.com • (909) 618-5000 • Ayman1779@gmail.com • Irvine, CA

EDUCATION

University of California, Irvine September 2019 – June 2023
Bachelor of Science, Computer Engineering

WORK EXPERIENCE

Universal Electronics Inc. | *Applications Engineer* July 2024 – Present

- Led NPI projects end-to-end, coordinating across sales, engineering, production, and offshore manufacturing teams to hit validation and verification milestones on schedule
- Served as primary technical liaison for customers across the full product lifecycle — from pre-production reviews through post-launch field support
- Diagnosed and resolved customer-reported field issues via root-cause analysis, partnering with engineering to drive corrective action
- Contributed to R&D by evaluating prototypes and emerging hardware technologies (IoT, sub-GHz, RFID), with findings that directly informed product decisions
- Authored and maintained product specifications for new and existing products
- Represented the company at CES and ISC West, engaging customers and partners to showcase new product capabilities

Charles Schwab | *Software Engineering Associate* September 2023 – June 2024

- Collaborated with the team responsible for processing customer tax information
- Upgraded and maintained a dividend reclassification application using Angular (front end) and Java Spring Boot (back end)
- Briefed offshore team on modernization of a legacy application
- Attained Professional Scrum Developer (PSD1) certification

Charles Schwab | *Software Engineering Intern* June 2022 – August 2022

- Built a REST API for customer cost basis information using Java Spring Boot
- Designed an Angular dashboard to monitor a tax team test server, improving visibility into system health

ButterflyMX | *Hardware Engineering Intern* November 2021 – May 2022

- Assembled and tested network elevator controllers for production deployment
- Developed and tested RFID readers for access control systems
- Analyzed network traffic to identify and document security vulnerabilities in access keypad firmware

SKILLS

Languages: German (Proficient), Arabic (Fluent)
Programming: Java, Python, TypeScript, C, C++, C#, HTML, CSS, Verilog, VHDL, Assembly
Frameworks: Angular, AngularJS, React, Spring Boot, Bootstrap
Databases: Oracle SQL, MySQL, MongoDB
Hardware: Embedded Systems, IoT, Microcontrollers, UART, I2C, Zigbee, Z-Wave, sub-GHz, RFID, 3D Printing
Software: JIRA, Git, GitHub, BitBucket, LTspice, Cadence, Fusion 360, Adobe Photoshop/Premiere, Microsoft Office
Other: REST APIs, Agile/Scrum, Pivotal Cloud Foundry
Certifications: Professional Scrum Developer 1 (PSD1), Veracode Security Labs Champion Level 3
